How Designers Work

Case Studies for teachers of Visual Communication Design

Created for students and teachers of Years 10-12 Visual Communication studies, How Designers Work responds specifically to VCE Visual Communication Design - Unit 3, Outcome 2: Design Industry Practice. The digital resources are combined with access to online designer presentations selected from the Design Foundation's agIdeas conference archive. Visual, written and audio materials address relevant key skills and knowledge, with suggested classroom tasks and assessment guidelines approved by the Victorian Curriculum and Assessment Authority.

How Designers Work Kit \$165.00 Qty: _____

The Educator's Resource Kit includes:

- 'How Designers Work' digital resource and worksheets
- Membership access to full presentations of selected agIdeas speakers, referenced in the resource kit.

Once payment has been processed, the 'How Designers Work' digital resource will be made available to you via the email address supplied above. An email will also be sent with details on how to log-in and access the online designer presentations.

Order agIdeas Event Books*

Profiling the Creative Masters invited to present their insights at the agIdeas International Design Forum. These books are an invaluable source of inspiration for anyone who buys design services, is a design educator, is considering a career in design, or is a design professional striving for excellence.
